

Town of Carver

Complete Streets Program

What are Complete Streets?

Complete Streets are roadways that safely and comfortably accommodate **all users**, regardless of age and ability or mode of transportation.

Users include, but are not limited to: motorists, bicyclists, pedestrians, public transportation riders and providers, emergency response vehicles, freight operators, and, school buses.

The Process

Tier 1 *Carver is Here!*

Adopt a Complete Streets Policy

Tier 2

Develop a List of Projects

Tier 3

Apply for Construction Funds

Ways to Participate!

- 1) Review the Draft Complete Streets Policy
(Ask the Planning Director for a copy)
- 2) Visit the project website
www.srpedd.org/Carver-Complete-Streets
- 3) Attend the Policy Adoption Public Meeting
(See the Planning Director for details)

Potential Projects

Bike Lanes

Transit Shelters

Crosswalks & Curb Ramps

And much more!

Safer, Healthier Streets for ALL Users!
