Press Release

North Attleborough Master Plan Land Use, Housing, and Economic Development Workshops

Contact: Town Planner Jennifer Carloni at jcarloni@nattleboro.com for more information.

The Town of North Attleborough has been working with the Southeastern Regional Planning and Economic Development District (SRPEDD) to develop a new Master Plan. We are excited to announce the next Virtual Workshops in April. This set of workshops, the second of five, will consider existing and future Land Use, Housing, and Economic Development opportunities in North Attleborough.

Due to the ongoing COVID-19 pandemic, these workshops will take place entirely online via Zoom meetings. All of North Attleborough's residents, business owners, and families are invited to visit the project webpage (www.srpedd.org/North-Attleborough-Master-Plan) to sign-up for workshops and interact with the available resources. The project team will facilitate two identical workshops where community members can participate in group discussions, interactive mapping, and provide feedback to shape North Attleborough's future vision.

Please join the discussion on either date – simply choose the one that works best for you:

Monday April 12, 2021 – 6:30 PM Virtual Zoom Meeting #1

Wednesday April 14, 2021 – 6:30 PM Virtual Zoom Meeting #2

Registration is required – visit the project webpage for more details.

The North Attleborough Master Plan provides an opportunity for community members to discuss priorities, reach consensus on goals, and identify strategies to achieve them. *Your input – combined with current, accurate data – is the key ingredient for the Master Plan.*

To find out more, please visit the project webpage (www.srpedd.org/North-Attleborough-Master-Plan) and follow the North Attleborough Master Plan Facebook (www.facebook.com/NorthAttleboroughMasterPlan) page to stay connected.
